How does it feel to have two cocks in your body, one in your arse, one in your pussy? "It's indescribable," pants Chantel, not so cheeky as she reminisces for a moment. "It's the best feeling ever, like angels and hot chocolate and a shot of whiskey all at the same time. And yet so filthy! I'd recommend it to every girl!" Come and speak to our girlfriends, Chantel!

Hi, my name is Chloe and I'm writing to tell you about a girls' night out my friend Kelly and I had recently.

We'd been shopping so Kelly came back to mine so we could both get changed.

My husband Mark was hovering around the bedroom, so Kelly and I decided to give him a show, feeling each other up as we helped each other into our clothes.

I rubbed my hand over Kelly's wet pussy a couple of times and felt with satisfaction her large stiff clit. Kelly shuddered as her clit hardened.

I went to the door and asked Mark if his little prick was stirring (I was teasing him - his prick's not really little at all, about eight inches long and as thick as my wrist

the thought of those long legs wrapped round my neck or back appealed too. But even better was her arse.

I got her on all fours on the bench so I could stand behind her. I teased her slit a bit, then heard her moan

until my jizz was spurting out inside her.

No fucker noticed as we sneaked out and got a cab back to my place. We arrived with about 10 minutes to spare before New Year, but by the time Big Ben went off, I had my dick in her cunt.

Her cunt spasmed round my knob

as I pushed in.

As I started to fuck her faster I could hear her boobs slapping up together, I wondered could I lean right forward and grab two handfuls, then I felt her cheeks bounce against my crotch and I just grabbed them instead.

She started rubbing back against me, moving her arse in circles. Then her breathing got heavier and, next thing I knew, she was moaning her head off, her cunt going into spasm around my knob.

She kept on cumming, pleasure hitting again and again. Then when her orgasms finally died off, she just kept on massaging my cock with her pussy muscles

She finished me off with a mouthful of champagne, which fizzed up all over the place as I shot my salty load. We've been going out and shagging like rabbits since!

New Year reminds me of when I met my bird, who was a stripper at a mate's do.

She worked me over so well on stage I ended up with a great big hard-on!

"Fuck him, love! Shame to waste it!" some bloke yelled. I reckoned he had to have blown my chances and the crowd were whooping as she led me off. Luckily, I was wrong.

We ended up in a dressing room and Tanya helped me out of my pants. "Yeah, it would be a shame to waste that," she told me, and sat down on a long bench seat against one wall, wanking me.

Her tits were glorious and

my hole as wide as it would go.

They soon got a rhythm going and before long I was cumming all over their fat cocks, my body shuddering uncontrollably.

Kelly had Dave's cock thrust down her throat and was gagging on it. By now, Mark had appeared and was watching from the stairs. I told him this was his punishment for ogling Kelly.

I told him all three guys were going to plough me

while he played with his little prick.

Kelly was sat on the chair. I bent over and started licking her clit, my peachy arse up in the air. The three guys lined up behind me and one by one abused my swollen pussy, taking it in turns to thrust their cocks deep inside my open and willing slit.

All the time I was telling my husband how great it was to get fucked by three well-hung studs!

I told him he'd find himself punished for peeping on Kelly later. We finished dressing in short skirts that only just covered our pussy mounds, thongs and tops that let our tits spill out for everyone to see.

If I say so myself we looked like a couple of real sluts on the pull.

We got a taxi to the club and we thought it would be funny if we rubbed our pussies in the taxi driver's mirror.

We got carried away and we both came, soak-

long before she was cumming.

When Kelly cums, she squirts and when the guy pulled away his hand was dripping with peach juice. Her thighs too were just soaked.

We asked the lads if they were up for more fun at my place. I knew Mark would still be up and I had a plan in mind.

John, Steve and Dave had their hands all over our pussies and tits in the back of the cab and soon our knickers were ripped off on to the taxi floor.

Dave and John each had two fingers up my pussy and

ing our thongs and fingers. The taxi driver got a right eyeful and grinned at us. We just laughed and pulled our skirts down.

When we got to the club we got our drinks and started boogying. Our skirts were that short we practically had our pussies on display.

Three guys came up and started dancing with us, rubbing their crotches against our pussies. One had his hand in Kelly's knickers, frigging her clit and it wasn't

We got back to mine and we sat the lads down. Kelly and I put on a show for them, nudging and squelching our split peaches together. The lads soon had their cocks out and were wanking them.

I straddled John cowgirl, his cock sliding between my pussy flaps and filling my hot wet hole. Steve took this as his cue and eased his prick in alongside John's, stretching

REAL WIFE SEX

*Sarah & Jackie,
Newhaven*

Really love your mag – it's just a shame I'm too shy to actually buy it!

Luckily for me, though, my flatmate Sarah's boyfriend leaves a big pile of them under her bed. When they're out I'll often take a couple back to my room and play with my pussy as I stare at the gorgeous babes you always feature.

I had never had a lesbian experience until recently, but I knew I'd enjoy it as the sight of a beautiful pair of boobs has always made my juices flow, and the thought of dipping my tongue into a hot wet pussy can send me right over the edge, especially if I'm playing with my clit when I masturbate.

Anyway, Sarah, my flatmate, is as horny as hell and, although I find her very sexy, I had never actually thought about making a pass at her. I always knew that if she didn't return the feelings, sharing an apartment together would become a

Boobs make my juices flow

nightmare. I had wanked in my room listening to her fuck her boyfriend though, and I guess imagining those big, firm tits of hers jiggling up and down as she rode Alan's dick certainly did the trick on a good few occasions.

I'd also taken many a crafty peek at her lovely tanned, fit body when she was showering or lounging around the flat in her towel. The other night, I had borrowed a couple of *Escorts*, and I was lying on my bed naked with a pillow wedged between my open thighs so that one corner was pushing against my clit. This allowed me to turn the pages and masturbate at the same time by slowly writhing my hips.

I was staring at some photos of a beautiful brunette in a park who was holding her pussy lips wide apart and, as my pussy juice began to soak the material between my legs, I fantasised that I was kneeling before her and thrusting my tongue deep inside her crack.

My whole body started to shake as an orgasm ripped

through me and I let out a groan of pleasure just as the door to my room swung open to reveal Sarah, who stopped dead in her tracks.

I just lay there panting as my climax subsided, too shocked to cover up. After a few seconds, Sarah, who hadn't taken her eyes away from my crotch, looked into my eyes and apologised profusely.

"Sorry, babe," she said with a smile. "I should have knocked." Then she looked again at the pillow still jammed between my legs. "I jerk off over the photos, too," Sarah added, picking up the magazine and flicking through the pages.

As she concentrated on a particular set of raunchy pictures, her hand slowly moved down the front of her jeans and rested on the mound of her cunt. I could

see her fingers were gently rubbing the denim and realised this was as good a time as any.

"Can I do that for you?" I said hesitant-

ly, brushing my nipples with my fingers in anticipation of her response.

"Okay," Sarah smiled, unzipping her jeans and clambered on the bed beside me. I dragged her trousers down to her ankles, breathing in the

heady scent of her perfume as my face passed close to her white lace panties. Sarah parted her legs and I placed my fingers on the curve of her pussy. My own cunt twitched with excitement as I pressed into the groove of her snatch, the material immediately soaking up the wetness oozing from her hole. "Oh yes," she moaned, her head still buried in the mag, "finger me properly."

I slid her panties over her hips and exposed her wet, hairless pussy. Easing apart the lips with my thumb and forefinger, I stared into the moist pink opening before slipping two fingers into her, driving them up her tunnel with practised

KAYCEE'S FANTASIES

"I've always fantasised about working with a load of blokes, and having to do the dirtiest work in front of them. If I was a painter I could strip and smear myself with paint while all the lads stood around slurping tea and telling me what to do. If I didn't do the job properly, and I reckon I'd be too interested playing with myself to know if I was putting the paint on correctly, they'd throw me down on an old sheet, flick me with paint and queue up with their hard-ons to punish me with a hard hole-hammering!"

Lav affair

I'm a faithful sort of bloke, actually a bit of a romantic if I'm honest – I don't mind the roses and chocolates thing and I'll spend hours going down on my other half till she's cumming in my mouth.

That's why I shocked myself

strippers and porn we'd been watching earlier, but I actually think it was a straight-up case of being unable to resist temptation.

We were in a club and this girl Mandy kept giving me the eye, walking past me deliberately, trying to get noticed. I tried to fight it at first, even though the boys were egging

£120

I slapped my prick along her crack and frotted off

the other weekend, the one time I've ever been unfaithful.

I was on a stag weekend – I've been on a few and have never had any trouble keeping it zipped. Maybe it was the booze this time, or the

me on, telling me I was in.

Then it was my turn to get a round in and she turned up at the bar. I couldn't help looking her up and down, then she moved in close and just made a grab for my crotch, a big,

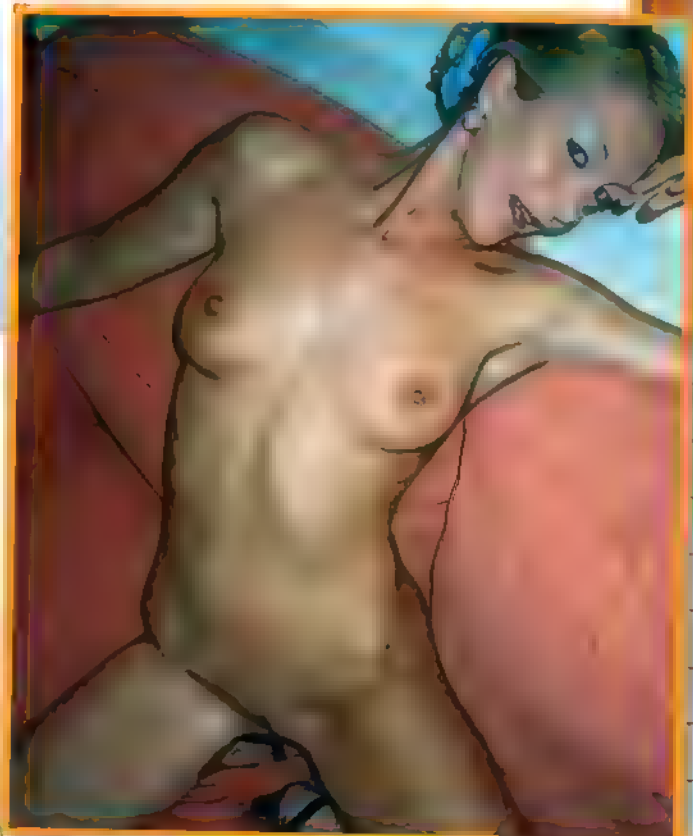

smug grin spreading over her face when she felt that I was hard.

There was a bit of a queue to be served, so I reckoned I could sneak a few dirty minutes. I copped a feel of the girl's tits, then followed her into the ladies'. I felt really awkward, but nobody else in there batted an eye as we shut ourselves in a cubicle.

She bent down over the seat, flipped her skirt up and stuck a hand down her knickers, frigging her clit really

hard. I pulled them down just far enough to admire her naked arse, then breathing in deep to stay calm, I undid my flies, pulled my cock out – it was already hard – then slammed it into her wet cunt. No mucking around or fingering from me, just straight down to the fucking.

We were both loving it, how fast and

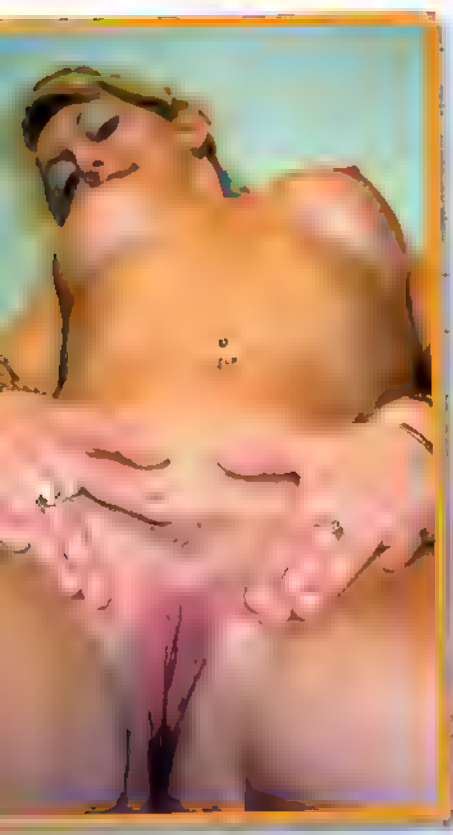

dirty and anonymous this was, just pure shagging for the sake of it.

I couldn't take my hands off her arse, it was so firm and juicy, and she was playing with her own tits now, going a bit crazy, really, pulling on her nipples and actually slapping her tit-flesh, yelping with pleasure as the sound echoed round the cubicle.

Now I reached underneath her and started to play with her clit. I felt her pussy squeeze around my prick, and then she was cumming all over it.

She moaned, then tried to stop herself, then moaned again – everyone in the loo knew what we were up to and didn't seem to care.

Now she groaned something about wanting to suck my dick, to have me cum in her mouth. I pulled out – whatever she wanted. But the sight of her open, juice-sodden pussy and my dripping dick just set me off

I slapped my prick along her crack and then just frothed it against her, until I was blowing my load all over her tight cheeks.

I pulled her knickers up again, giving her bum a playful slap. Then we walked out, totally shameless.

Even though I've got a girlfriend I keep Mandy on the side. She's too good to stay faithful for!

Cock au vin

My boyfriend Rob and I went away for a weekend to visit Kath and Mark in Somerset.

We had a fantastic evening, a beautiful meal and a continuous supply of wine. This was my downfall.

We were all very merry and the talk as usual turned to sexual encounters and favourite positions. I didn't hold back and revealed everything

all I was worth.

Rob pushed me back on the bed and began to pleasure me with his gorgeous soft tongue until I could hold back no longer and a huge orgasm swept through my body.

Then I begged him to fuck me really hard. He duly obliged. It was heaven as I climbed on top and rode him hard, cumming again and again.

Suddenly I was aware of another pair of hands gently playing with my stiff little nip-

I'd love to hear from your readers, especially couples who would be up for fun, photos and hot sex!

This was my first DP and I was just loving it!

- I mean everything.

It was getting late when Kath and Mark declared they were off to bed, showing Rob and me to our room in the annexe.

I was horny on wine and sex talk, my pussy was throbbing and aching to be filled with Rob's rock-hard cock.

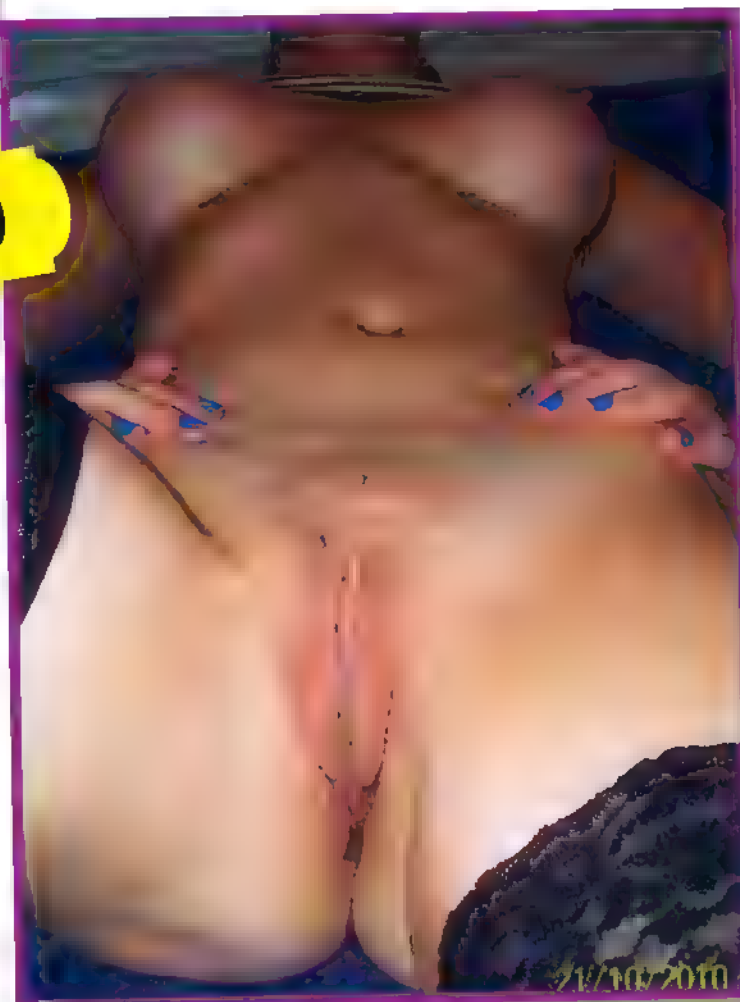

I made my feelings quite clear and unzipped his trousers and sucked his cock for

ples from behind. I looked down at Rob who smiled knowingly.

I turned to see Mark naked, nursing a huge erection. I told him to lie on the bed next to Rob then climbed aboard, sliding him deep into my soaking pussy.

Rob moved behind me and gently slid his cock up my arse, which he knows I love.

REAL WIFE SEX

Jackie & Sarah's story continued from page 19

ease. Obviously, I've done the same to myself on many occasions, but this felt so different and rude that I just had to lower my face towards her slit and tickle her protruding clit with the tip of my tongue.

Sarah groaned with pleasure and pushed her crotch down onto my now thrusting fingers like a whore. I dragged them free from her sodden cunt and pushed them into my mouth, slurping on

the intoxicating pussy juice that covered them.

My fanny was on fire and I dived between her thighs, stuffing my tongue straight up her while groping inside her blouse for those fantastic tits.

I manoeuvred myself across Sarah until her knee was resting against my slit so she could work me off at the same time as I sucked on her cunt. "Fuck, I'm cumming!" Sarah squealed and thrust

her fanny hard against my mouth as I pinched her rigid nipples between my finger and thumb. I desperately tried to keep my tongue poking in and out as an orgasm ripped through her pussy, squirting copious amounts of her cum down my throat.

Combined with the friction from her

leg on my crotch, it was enough to send me over the edge and a terrific, pulsing climax ripped right through me.

That was my first ever lesbian experience, and happily that was only the start of the evening's activities. We played with each other for the rest of the night, during which I learned how to suck a girl's tits, finger a cunt and arse at the same time and how two girls can rub their clits together without getting all tangled up in knots!

I also learnt that my flatmate is a world class fanny-licking champion and that whenever I fancy some pussy to suck, I only have to ask.

Only last night we met up at a bar round the corner. When I saw Sarah sitting on a bar stool, being pestered by men, my stomach turned somersaults. I loved the fact that no matter how hard they tried, how many drinks they bought her, she wasn't interested in cock tonight... but in my freshly shaven, moist and burning hot pussy!

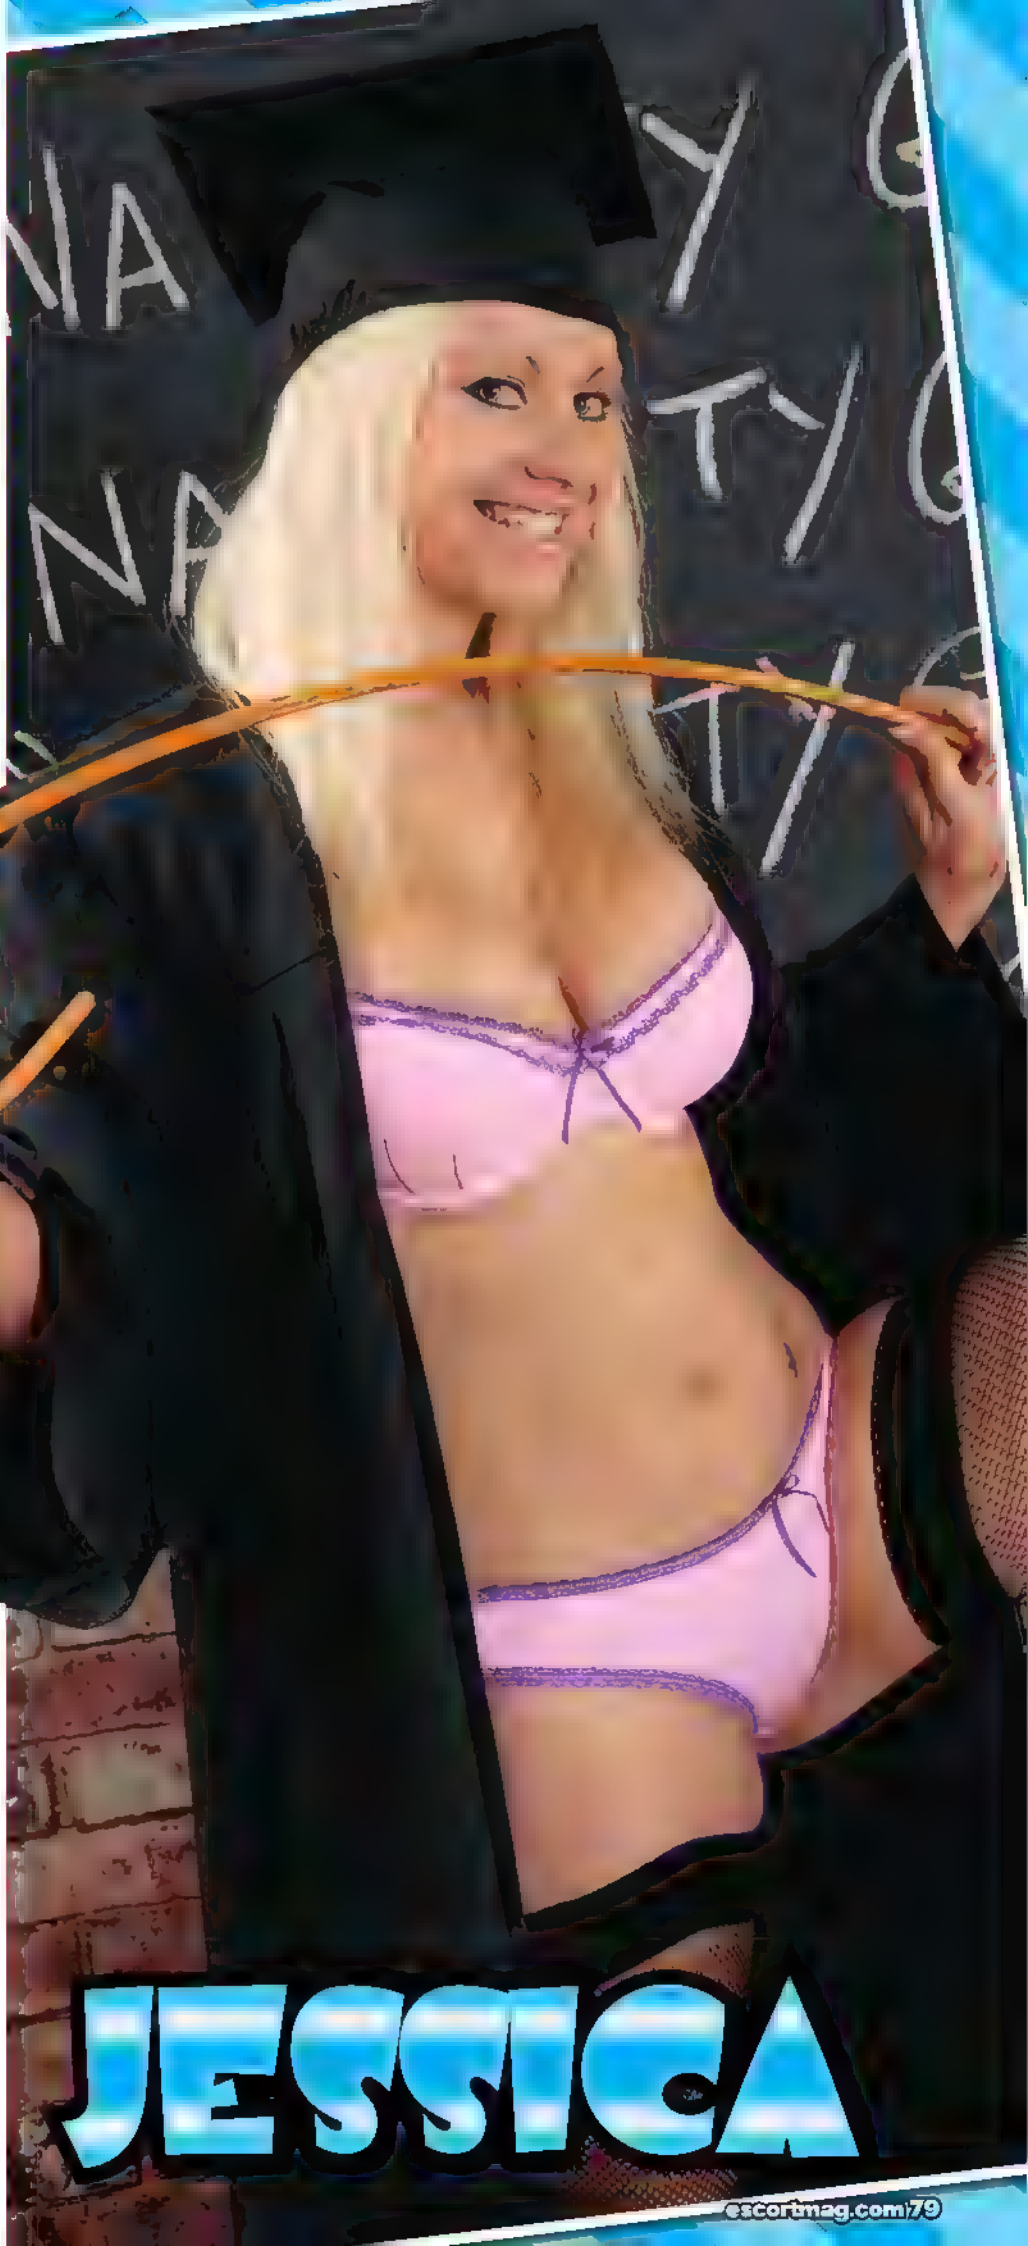

She clocked me, smiled, and in front of all those lads, we snogged, out hot wet tongues entwining and thrusting together, in anticipation of what our fingers and cunts would be doing later. I was so forceful I almost knocked her off her stool! She didn't need asking twice as I took her hand and led her to the toilet.

I put the seat down, hiked up her skirt and gave her dripping pussy a real pasting with my tongue. Her cries echoed round the lav and her thighs clenched round my ears as she came.

If it hadn't been for your wonderful magazine I would probably still be totally unaware of the joys of lezzie love-making, and how much fun my flatmate and I could have, so this is a thank you from a very happy girl. ☺

JESSICA

They say school days are the happiest of your life, but we preferred it when we grew up and instead of chucking rubbers at Miss from the back of the class, we could start putting them on our cocks with fit female teachers we met in the pub.

We weren't posh enough to get caned at school when we were little, but watching part-time teacher's assistant Jessica flex her cane made us wish we had been.

"Bend over you naughty boys," blonde Essex girl Jessica hisses, her Ofsted-approved tits wobbling. "Someone needs a good lesson in fucking!"

There are lots of added advantages to working at the gym, like not having to fork out the steep annual membership fee. I get to use the facilities any time I want, but by far the best perk of this job is the manager, Steve, whose special services I enjoy at regular intervals during my working week.

We both have fairly large sexual appetites, but have to be careful about being caught together.

Yesterday, we bumped into one another just after my mid-morning aerobics class. Steve looked over his shoulder to make sure the coast was clear and unlocked the boiler room door and pushed me

firmly inside.

Barely managing to stifle a giggle, I fell into his arms and kissed him before reaching into his trousers and freeing his dick. As he tweaked my nipples I felt a jolt of sexual energy, and, looking down at his growing hard-on, I bent forward and circled his cock head with my tongue.

I love sucking his cock, so I wrapped my lips around his glistening helmet and began to suck it slowly inside my mouth.

Bar crush

After my Christmas do I arranged to meet my husband in a pub nearby.

When I got there Craig was nowhere to be seen so I gave him a ring on his mobile. He said he was running late and to get the drinks in, he would be there soon.

Being Christmas the bar was very busy. I found a gap and squeezed myself into it.

While I was waiting I felt a hard cock pressing into me. Craig does this quite often when I am standing at the bar, so I didn't bother looking round.

I just wriggled a bit to get his cock resting in the crack of my bum where it stayed, pressing into me.

When I had been served I turned round and saw that it wasn't my husband at all. I laughed and said, "I'm sorry, I thought you were someone else."

He smiled and said no problem - he had enjoyed it. Me too, I replied.

I then went and stood somewhere else. But the man followed me. He said, "Seeing as you have already introduced your bum to my cock I'll introduce myself. I am Gareth and I'm here overnight before travelling back to South Wales tomorrow."

Gareth was a good-looking guy and I could feel the sexual tension growing between us.

Craig arrived and I introduced him to Gareth and told him what had happened at the bar. Craig laughed and we squeezed into a small

up the inside of my thigh.

I spread my legs and smiled when he realised I had no knickers on. We both looked over at Craig who nodded his approval.

Gareth started to finger-fuck me, making my juices flow. He said his hotel was nearby if we wanted to carry on, so we finished our drinks.

Back at the hotel I went to the bathroom to freshen up and Gareth ordered drinks. When I came out they were drinking and chatting like old mates.

I was wearing just my stockings, sussies and stilettos. I sat on the bed in between them both and they began to feel me up and suck on my

tits.

I took their cocks, one in each hand, and sucked off one after the other.

It wasn't long before they were dying to fuck me and

always loves when I give him the full treatment.

Pulling my leotard down, Steve bent me over a work bench and began to massage my bottom cheeks.

His fingers lightly brushed against my pussy lips, tracing their way forward towards my clitoris.

Then he rotated a fingertip around my love bud, making me moan and spread my legs wider in invitation.

Rubbing the head of his cock against the pink folds of my pussy, he teased me until I begged him to enter me.

Steadily he slid his cock inside my glistening pussy lips, making me cry out with pleasure as I felt him inside me.

He pumped slowly in and out of me, making me rise on my toes as he shunted his cock

fully home and dry.

The most incredible orgasm hit me as he thrust hard into me and I yelled out in ecstasy as I felt his cock erupt jets of hot cum inside my pussy.

I quickly got dressed and did my afternoon session with a very spunky pussy!

Glenda, Northants.

Oiled up

I came across this horny macho male online. After chatting for several days, he agreed to come and give me a private massage, providing that I adhered to his three little requests...

When he arrived at mine, I had obeyed request number one... I was dressed in black stockings, suspenders, stilettoes, with a grin from ear to ear when I opened the door! He stood there, his eyes looking me up and down.

"Very nice!" he smirked, his arousal obvious, but request two was entirely for my pleasure...

We went upstairs, his hands tightly on my toned arse, I seductively laid on the bed, so wet and willing, watching him undress. His muscular frame and over-confident manner had me anticipating an extremely dirty experience.

His trousers fell to the floor, revealing his magnificent cock. Big and hard, ready for action!

I lay spreadeagled while he

ons! I sucked and pleased that magnificent member, as only I know how to.

He swiftly pulled out of my mouth, then told me to kneel in doggy position, and began to bang me hard. Fuck, did he bang me hard too!

With my arse in the air, he thrust his pulsating penis into my contracting hole. I sighed! "What an absolutely dirty little bastard you are young man!"

"At your service, ma'am," he laughed, and he bloody was!

He thrust into my contracting hole

was at the bottom of the bed between my legs. He placed a towel under me, then opened a bottle of champagne.

Request two, come on down!

He slowly began to pour the bubbly over my throbbing clit, then sensually licked it off. I shuddered with delight as his tongue stroked and caressed my soaked pussy.

He continued pouring and licking until I felt my climax build and my little masseur was spurted with hot cum.

He pushed his desirable dick into my waiting mouth – it was the daddy of all hard-

We climaxed simultaneously... cum shot out of me! That horny little masseur was ready for request three!

Yes, you have guessed it dear readers, a proper massage, followed by anal sex!

He put his magic fingers to work all over my quivering body, finally stopping at my eagerly anticipating arse.

He manoeuvred his oily cock up my tight arse and fucked me till he groaned, holding me tight until the ecstasy had passed.

Until next time!
Jo, Oxon. 5

pulled me onto the bed. First they spitroasted me. I had Gareth in my mouth and Craig in my fanny. Then Craig lay down on the bed and told me to sit on him. Gareth came from behind and eased his cock into my arse.

With both cocks fucking me hard I came in seconds. Craig and Gareth pebbledashed my insides moments later.

We rested for a while and

carried on stroking each other till we were hot and horny again. We carried on fucking well into the early hours before falling asleep.

I was awakened by a tongue on my clit and a cock easing its way into my mouth.

We fucked again before Gareth had to leave for home. We we look forward to some outdoor fun with him in South Wales.

Dee, Lancs.
